

All I'm After

Written by Jervis Campbell

What can hold back the stars
From singing your name
And who am I but a witness

And they're just like my heart
So wonderfully made
You're all around me
I can feel it

Oh, Oh, Oh
Oh, Oh, Oh

Your love goes on
Your name stands strong
And your heart is all I'm after
Your hands they heal
And your words reveal
That your heart
Is all I'm after

From the days of old
To the earth made new
You will rise in glory

And you'll guide these steps
As I run to you
Cause you're a father that's for me

Oh, Oh, Oh
Oh, Oh, Oh

Your love goes on
Your name stands strong
And your heart is all I'm after
Your hands they heal
And your words reveal
That your heart
Is all I'm after

And though I walk through the valley
And though I walk through the shadow
Still you stay
And though I fall in the valley

Though I fall in the shadow
Still you remain
And though I break in the valley
And though i break in the shadow
Still you stay
And you will wait in the valley
And you will wait in the shadow
You will remain

Your love goes on
Your name stands strong
And your heart is all Im after
Your hands they heal
And your words reveal
That your heart
Is all I'm after
