

# Glory

Written by Jervis Campbell

Glory, Glory  
I see You on the throne

I've seen the grass wither  
I've seen the flowers fade  
But Your word it stands forever  
Through all of my days

And I'm trying hard now to find You  
Through the fire and the quake  
Just to hear of a whisper  
Oh to taste of Your grace

Glory,  
Glory,  
I see You on the throne  
Glory,  
Hallelujah,  
Your love will overcome

Oh I've danced with the darkness  
I've heard evil's lies  
Felt the weight of my chains  
Coming down on my life

But I found the redemption  
In the sacrifice  
I've been saved by the turn  
The truth of Jesus Christ

And by his wounds I'm a warrior  
By His word I'm made free  
By the strength of the Spirit  
I will have victory

And no scheme is left standing  
All fear it will fold  
By the power of the Father  
Whose love will never let go

Glory,  
Glory,  
I see You on the throne

Glory,  
Hallelujah,  
Your love will overcome

Holy Spirit, bring Your healing  
I receive it Lord,  
I let it in  
And my Father,  
Oh how I love You  
Be my first love,  
There's none before You  
Holy Spirit, bring Your healing  
I receive it Lord,  
I let it in  
And my Father,  
Oh how I love You  
Be my first love,  
There's none before You

Glory,  
Glory,  
I see You on the throne  
Glory,  
Hallelujah,  
Your love will overcome
