

# Make Your Move

Written by Jervis Campbell

[verse]

In the night I wonder  
If I can go on now  
Is it fine that I wonder  
Why I am here now

[pre-chorus]

I've seen the darkness rise  
And good men fall  
I've seen the river run dry  
And trouble call  
But I will hold on tight  
And listen close for you

[chorus]

And I'm gonna stay until the water won't do  
I'm gonna fight to put my trust in you  
And I'm gonna stay until the water won't do  
I'm gonna wait for you to make your move  
Make your move

[verse 2]

Rectify my mind to take on the waiting  
And supply your fire 'cause mine keeps on  
fading

[pre-chorus]

[chorus]

[bridge]

And you say old friend, don't let  
All the demons drag you down  
Cause I am, sure that,  
You will make it through and out  
So hold on, you'll go on,  
And here me in the here and now  
Cause I am, the one that,  
Has always been, and will be

[chorus] x2
