

Praise Him Forever

Written by Jervis Campbell

My mind it longs for thee
My soul it knows what it needs
That Your Spirit would move in me
That Your presence would pull me deep

I've encountered the Spirit
Felt the love of the Father
Found my life in the Savior
And it changed me forever
I've encountered the goodness
Felt the truth and the power
Oh I've been saved by Jesus
And I will praise Him forever

My heart to You I bring
My hope it holds on to see
That Your spirit would move in me
That Your presence would pull me deep

I've encountered the Spirit
Felt the love of the Father
Found my life in the Savior
And it changed me forever
I've encountered the goodness
Felt the truth and the power
Oh I've been saved by Jesus
And I will praise Him forever

No weapon
Formed against me
Shall prosper
Lord just lead me
And your goodness
And your mercy
They will follow
Lord just lead me

Praise Him Forever
