

Wild Love

Written by Jervis Campbell

I was made to testify
I was born to fall in love
We were made to glorify
The king that stands above

Every debt is paid
Every fear undone
So why do I get lost
In trying to be someone
Building up my walls
So I don't get hurt
Seeking my own strength
Just to find some worth

Im hearing what they say
Am I good enough
I try to navigate
But the waves get rough
So here I run to you
With all my lack
Oh you fill my soul Lord
You bring me back

I was made to testify
I was born to fall in love
We were made to glorify
The king that stands above

And I can feel it now
New life in these lungs
Let me speak Your name Lord
Of what You've done

Let me find myself
Once I'm found in You
When I can't go on
Let me see Your wounds

Here with open arms
Blind but now I see
Never too far gone now
You wash me clean
Oh you're love at last

You're the hope I know
You're the life that leads
You're my loving home

I was made to testify
I was born to fall in love
We were made to glorify
The king that stands above

And I can feel it
The sweetest sound
That I once was lost
But now am found
Bring me lower
Down to the ground
Oh I lift the kingdom
Let love abound

The power of Your presence

Oh, I'm chasing You with all my life

Let me run like the river

I will rise from this dirt and run to You

Let me run like the river
